

I am from toy cars on the ground from
pencils and pens
I am from the garden the fresh muffins
I am from roses and tulips
The Cherry Blossoms whose long limbs I
remember as if they were my own.

I'm from an amazing and wonderful family
from mom to Luca

I'm from messy and clean and from organized.

I'm from "Great job" and "Try your best" and
from fly Eagles

I'm from hanging stockings

I'm from Virginia and Costa Rica

from Empanadas and Plantains

from basketball all through high school

and vacations in a booklet

from moments in my heart that will never be
forgotten.
